

Nicodemus

Verse 1 key: *e minor*

© 2001 Adam Smith

em am/vi DM GM/B CM em
When I was young / I heard a voice / in the temple / speaking wisdom.
It was a boy / 12 years old / with the elders / sitting 'round him.

I was amazed / at his questions / and his answers / that he gave us
After three days / he departed / and we wondered / whose son is this?

Verse 2 *New key, G minor, faster rhythm of words*

gm cm/Eb F
And the words I heard back then I hear today.

Bb/D Eb F gm
It was the voice of a man / they called Jesus.

gm cm/Eb F
And so I went to him at night and heard him say,
Bb/D Eb F gm
"You must be born again."

Guitar solo to first verse style in e minor.

Verse 3 (like verse 1)

There was a time / in your life / you've had the gospel / given to you
About a man / the Lord Jesus / and He's the only one / that's ever loved you

So the Lord / in His goodness / has brought His gospel / with grace to you
And it's by grace / you shall be saved / receive His love / flowing through you

Verse 4 (like verse 2)

Now the Word has come to you again this way,
So-o O-o-pen your heart, and trust in Jesus.

Because the words He said back then are true today,
You must be born again.
